

NVEELC 2018 Travel Sponsorship Application

National Viticulture and Enology Extension Leadership Conference (NVEELC)

May 20-22, 2018 | Prosser, Washington

Hosted by Washington State University Viticulture Extension

<http://wine.wsu.edu/event/nveelc2018/>

The National Grape & Wine Initiative (NGWI) is proud to support NVEELC 2018. We anticipate making available up to five scholarships to ensure the attendance of extension and outreach specialists who have little or no funding for airfare and/or hotel accommodations. Thank you to the following sponsors for their contributions in direct support of travel scholarships: California Association of Winegrape Growers, California Table Grape Commission and E&J Gallo.

Travel scholarships cover the cost of roundtrip travel and hotel accommodations for NVEELC 2018 up to \$1,500, which will be reimbursed to the recipient against receipts. Event registration is not included.

To apply, please complete the information below and email your application to Donnell Brown at dbrown@ngwi.org. Applications must be received by March 21, 2018. Scholarships will be granted based on stated need and donor choice. Winners will be notified the week of April 2, 2018. Please note: Only land-grant university personnel are eligible to apply.

Name

University Affiliation

Statement of Intent

Please explain why you would like to attend NVEELC 2018. What would you hope to gain from your participation and/or what would you like to contribute (e.g., in terms of best practices) to the group?

Statement of Eligibility

Please check the boxes, as appropriate.

I certify that my university has insufficient state or non-state funds available for me to travel to NVEELC 2018.

I work at a land-grant university and a percentage of my appointment includes extension responsibility.
